These sculpture workshops will be held here in the studio from 10 – 4. There will be a model to work from and we will go through the process of observing the form, making an armature and modelling in clay, wax or plaster. The model will sit from 11-1 and 2-4. The cost for the two day sculpture courses is £250.00 (plus materials, usually about £25) The three day plaster courses are £375.00 plus materials. All these prices include VAT.

Thursday 5th and Friday 6th March. This is a mixed media course working with both human and animal model. We will be using wax, clay hay straw wire etc.

Thursday 16th and Friday 17th April. Sculpture, using mixed media, working from an animal model and a human model, again using a mixture of the above materials.

Wednesday 24th - Friday 26th June. Three day plaster workshop. There will be no model for this course.

You will need a welded armature and a maquette to work from for the plaster courses (There is no model for this workshop)

There is a maximum of ten people for each class. It is a good idea to wear old clothes, aprons or overalls and remember to bring your own packed lunch. To sign up for any of these courses please call or email Clare. A 50% deposit will secure a place. In the event of you being unable to attend a course, your deposit will be refunded if I can fill your place.
