These sculpture courses will be held here in the studio from 10 – 4 There will be a model to work from and we will go through the process of observing the form, making an armature and modelling in a variety of materials. The models will sit from 11-1 and 2-4.

Thursday 24th and Friday 25th September. Sculpture using pigs as models. For this course on the first day we go to the nearby pig farm so wellington boots are advised! Cost £260 plus materials (usually about £25)

Thursday 19th and Friday 20th November. Sculpture, using an animal and a human model. Cost £285 plus materials (usually about £25)

For all these courses we will be working with mixed media using wax, different coloured and textured clays, hay, straw, wire etc. There will be an option of drawing during all these courses.

There is a maximum of ten people for each class. It is a good idea to wear old clothes, aprons or overalls and remember to bring your own packed lunch. To sign up for any of these courses please email Clare. A payment in full will secure a place. Materials can be paid for at the end of each course.
